

Steaming thru Gunnedah August 2014

*The Heritage Train at speed south of Gunnedah Friday 29 August 2014.
The locals have seen it all before - modern train travel is sooo common*

*3642 with its 8 coaches of travel weary passengers
waits on the main north of Gunnedah for the
passing of the regular afternoon Explorer*

*NEMRC meetings are held all over the country
these days*
